COMMUNITY BLUE PPO HOME HOST CHOICE PLAN
COMMUNITY BLUE HDHP HOME HOST CHOICE PLUS PLAN

Directory of Providers
Participating at the Enhanced Narrow Network Benefit Level
Highmark will use reasonable efforts to validate the accuracy of the health care professional provider's information and to update the information on a periodic basis. Since information about the health care provider - including his or her participation in a network and whether he or she is accepting new patients - may change, we recommend that you verify with the provider his or her address, and whether the provider is still participating and accepting new patients.

Highmark cannot guarantee continued access during the term of your enrollment to a particular health care provider. However, if your network health care provider ceases participation with the network, Highmark will provide access to other network providers with equivalent training and expertise.

Highmark understands the importance of helping our members find network health care providers who are accessible to people with physical disabilities and providers who can communicate with people who have sensory disabilities. If you’d like to know if a particular health care provider can accommodate these special needs, please contact the provider’s office. Or call Member Service at the phone number on your identification card.
Your *Community Blue* PPO Home Host Choice and *Community Blue* HDHP Home Host Choice Plus plans give you real choice. Each time you need care, you can choose:

- In-network providers who participate at the Enhanced narrow network benefit level
- In-network providers who participate at the Standard network benefit level
- Out-of-network providers

To make the most of your health care coverage, you’ll want to choose network providers at the Enhanced narrow network benefit level. When you receive care from these providers, you save money. Benefits are paid at your plan’s highest level, and you pay the least out of your own pocket.

**NETWORK HOSPITALS AND OTHER FACILITIES**

These network hospitals participate at the Enhanced narrow network benefit level:

- Conemaugh Memorial Medical Center
- Conemaugh Meyersdale Medical Center
- Conemaugh Miners Medical Center
- Nason Hospital

The remaining hospitals and other facilities in the *Community Blue* network participate at the Standard network benefit level. That means you pay more for inpatient and outpatient care you receive from these facilities.

The following hospitals are not in the *Community Blue* network, so you pay the most if you choose to receive care from:

- Magee-Womens Hospital of UPMC
- UPMC East
- UPMC McKeosport
- UPMC Mercy
- UPMC St. Margaret
- UPMC Passavant
- UPMC Presbyterian-Shadyside

**NETWORK PHYSICIANS AND OTHER PROVIDERS**

This directory includes a listing of network professional and other providers who participate at the Enhanced narrow network level of benefits.

For a complete list of all network providers – those that participate at the Enhanced and Standard levels of benefits – use the online directory at [MyConemaughProviders.com](http://www.MyConemaughProviders.com).

Or call myCare Navigator℠ at 1-888-BLUE-428. A myCare Navigator representative can help you find the right doctor, transfer your medical records and even schedule your first appointment.
